| Main Business       | <p>We are a leading collaborative robot and vision technology company. We have been determined to improve the world of work for business owners and employees everywhere, by introducing increasingly intelligent robots into the workforce. Our collaborative robots (cobots) can perform a wide range of intelligent, automated tasks with applications in various industries – from education to food to electronics manufacturing industries. With the innovative features like built-in vision systems, simple programming, and automatic halt mechanisms that activate upon collision with another object, our cobot applications can significantly increase productivity. We hope that we can make a great contribution to a world where humans and robots work in harmony to achieve excellence.</p> |
